Official Rotary Solutions End User Rebate Program Guidelines/Requirements

Promotion Announcement Date: February 14, 2025.

Products: Select Rotary, CHIEF, Direct Lift by Rotary, and Forward Lift by Rotary Products (hereinafter, "companies")

Rebate Promotion "Purchase" Date Timeline: February 14, 2025 – April 30, 2025.

Rebate Promotion "Registration" Date Timeline: February 14, 2025 – June 30, 2025.

Who/What is "NOT" eligible to "file a claim" for the Rotary Solutions Equipment Rebate:

Government Agencies or Contracts, end customers outside of 50 USA States and Canada, National Accounts, Resellers, Representative Agencies, Schools, Technical Schools, Demos, or any equipment classified as demonstration, used equipment, or equipment for warranty replacement/repair are not eligible to claim a rebate.

- Equipment not listed in the current rebate promotion and/or purchased outside current promotion guidelines is unavailable for any equipment rebate.

Reseller/Distributor inventory and customer sales

End Users can file for a rebate on equipment that is purchased from a Rotary, CHIEF, Forward Lift, or Direct Lift Reseller and/or pulled from their stock. All other program rules apply as listed.

Information needed by End User/Customer to file a Rebate Claim:

Serial # of the unit, Receipt showing purchase date, list of eligible equipment, and reseller name from whom you purchased the equipment. You will also need to upload a digital copy of this valid receipt as part of the rebate process.

End User/Consumer Purchase Date Requirements:

Eligible rebate products must show Invoice/Purchase date that falls within promotion dates as outlined on rebate promotion timeline.

Installation Requirements for Rotary Products:

To be eligible for a rebate, product must be installed and registered by a **qualified Rotary Authorized Installer**. The installation and registration date must fall within the promotion purchase date timeline. The last day to purchase is April 30, 2025, then product must be registered on or before June 30, 2025.

- Rotary will validate the installation/registration date via our internal record system and as submitted by qualified install partners/agents. Any misclassification of install dates or bad install date records will void the payment of the rebate.

- Installation/registration dates cannot be prior to or after the rebate program dates as outlined.

Registration Requirements for Forward Lift and Direct Lift Products:

To be eligible for a rebate, the product must be registered on the respective company's website: www.rotarysolutions.com. The registration date must fall within the promotion purchase timeline. The last day to purchase is April 30, 2025, then the product must be registered on or before June 30, 2025.

- The Companies will validate the registration date via our internal record system.
- Registration dates cannot be prior to or after the rebate program dates as outlined.

Product Eligibility for Rebate:

- Products eligible for the rebate are limited to the products listed on the Official Promotional Flyer or rebate webpage: <https://rebates.rotarysolutions.com>
- Equipment used for demonstration, used equipment, or replacement/warranty product is not eligible for rebate promotions/program.

Bundle Bonus Qualifier

- Order must contain at least one product from a minimum of two of the qualified product categories.
- Product Categories are Lifts, Mobile Columns, Wheel Service, Collision, and Shop Equipment.
- Bundle Bonus value will be applied one per order and claimed with the total rebate.
- Limit one Bundle Bonus per customer

Limit of Rebates:

Eligible for one rebate per unit, no multiple rebates allowed and can't be combined with any other offers.

Accessories are not eligible:

Accessories are not eligible for rebates. Adding an accessory or part to a previously installed piece of equipment does not make this existing product eligible for rebate.

Payment of Approved Rebate:

- Approved rebates will be paid via an issued card such as Visa, Mastercard, or other electronic payment cards.

- Once submitted, the Companies will validate the rebate meets program guidelines; if approved, the rebate will be eligible for payment/funding within 30 days.

End User/Consumer Submittal Only

No distributor, representative agency, installer, or company personnel submitting claims on the behalf of end users/customer is allowed.

End User how to Claim Rebate and other requirements:

- Visit our Rebate webpage: <https://rebates.rotarysolutions.com>
- Select the **"I've purchased & ready to redeem my rebate"** button
- Set up your account and fill out the required information.
- Reply to email verification to activate your account.
- Log in to your account to start the claim process.
- Provide the Serial # and a digital copy of the equipment purchase receipt
- Reminder to upload a digital copy of your receipt as outlined in program rules.
- To be a valid rebate claim, the claim must meet full rebate program guidelines as outlined.
- Must be installed as outlined in requirements.
- No email, call-in, or faxes of rebate reward requests are allowed; you must use the online submittal process.

All terms, conditions, and rules of this program are subject to change. All information or materials that are submitted are the property of Rotary Solutions and will not be returned. Rotary Solutions reserves the right to alter and modify this program at any time without prior notice. Rotary Solutions reserves the right to reject claims it deems to be invalid at its sole discretion. Failure to meet the submittal rebate requirements will disqualify your rebate. This offer is void where taxed, restricted, or prohibited by law. Rotary Solutions and its partners are not responsible for lost, late, damaged, illegible, or misdirected information submitted. Equipment must be installed and registered by a qualified partner or agent prior to submission of rebate. Audits will be performed to validate the rebate.
